Toomey Associates Repair Policy

Toomey Associates guarantees proper functioning of repairs for a minimum of 90 days. Our intention is the restoration of your equipment to full functionality for years to come.

*Toomey Associates allows customers **3 weeks** after receiving a quote to decide to approve or decline repair estimates. If the customer does not respond, either accepting or rejecting a quote within **3 weeks**, Toomey Associates reserves the right to scrap material in-house or if advised, return at the cost of the customer. If repair estimate is declined, the estimate will be subject to an estimation fee depending on the time taken to evaluate the repair. If new replacement product is purchased through Toomey Associates, evaluation fees shall be waived.*
